CR-V & CHROME ALLOY

EDITION
2026

Best solution for professional & industrial users.

EasyPower Solution supplies professional tradespeople and industrial buyers with a dependable, everyday hand-tool line — built for durability, comfort and value where it matters most.

Our range covers the essentials: wrenches, pliers, ratchets & sockets, cutting tools, screwdrivers & hex keys, and measuring equipment — everything needed to fasten, cut, grip and measure with confidence.

Every tool is organised by category so your team and customers can find the right tool, fast.

MATERIALS

Chrome Alloy & Cr-V steel, induction-hardened jaws, laser-etched scales.

BUILT FOR

Repair, automotive, construction, MRO and serious DIY.

PROMISE

Consistent quality, honest pricing and tools that last.

01

WRENCHES & PLIERS

Chrome alloy steel wrenches and pliers built to grip, hold and turn — from wide-capacity adjustables to induction-hardened water pump pliers.

PT-10001 → PT-10004

Adjustable Wrench

MATERIAL	SIZES	PART NO.
Chrome Alloy Steel	6" / 8" / 10" / 12"	PT-10001-04

- Wide-capacity jaw fits multiple fastener sizes
- Laser-etched scale in SAE / metric
- Comfort-grip handle reduces hand fatigue

PT-10010

Locking Adjustable Wrench

MATERIAL	SIZE	PART NO.
Chrome Alloy Steel	10" / 250mm	PT-10010

- Hex jaw design reduces slippage on fasteners
- Grooved jaw teeth deliver 2× gripping power on rounded fasteners
- One-hand locking mechanism

PT-10020

Combination Wrench 9pcs. Set

MATERIAL

Chrome Alloy
Steel

SIZES

8-18mm (9
pcs)

PART NO.

PT-10020

- 12-point box end for dependable grip
- Double hard-stamped sizing for easy ID
- 15° offset for knuckle clearance

PT-10030 / PT-10031

Water Pump Pliers

MATERIAL

Chrome Alloy
Steel

SIZES

10" / 12"

PART NO.

PT-10030/31

- Induction-hardened V-jaw teeth for firm grip
- Multi-position adjustment
- Non-marring grip protects finished surfaces

02

RATCHETS & SOCKETS

High tooth-count ratchets, sockets and extensions engineered to reach and turn fasteners in the tightest of spaces.

PT-11001 / PT-11002

Ratchet & Socket Set

MATERIAL

Chrome Alloy
Steel

DRIVE

1/4" or 1/2"
SQ

PART NO.

PT-11001/02

- High tooth-count ratchet for fine movement in tight spaces
- Enclosed head resists dirt ingress
- Includes sockets, extension bar and case

PT-11010 / PT-11011

Extension Bar & Socket Adapter

MATERIAL

Chrome Alloy
Steel

LENGTH

75mm

PART NO.

PT-11010/11

- Reaches fasteners in deep or tight spaces
- Adapter allows cross-drive compatibility

03

CUTTING TOOLS

Forged snips and retractable knives with hardened blades for clean, controlled cuts on sheet metal and everyday materials.

PT-12001 → PT-12003

Aviation Snip

CAPACITY

≤1.2mm cold-
rolled steel

VARIANTS

Left / Right /
Straight

PART NO.

PT-12001-
03

- Chrome-molybdenum forged blades for durability
- Serrated edge prevents slipping
- Spring-loaded auto latch for one-hand operation

PT-12010

Retractable Utility Knife

MATERIAL

Aluminum
body

BLADE

Standard
utility type

PART NO.

PT-12010

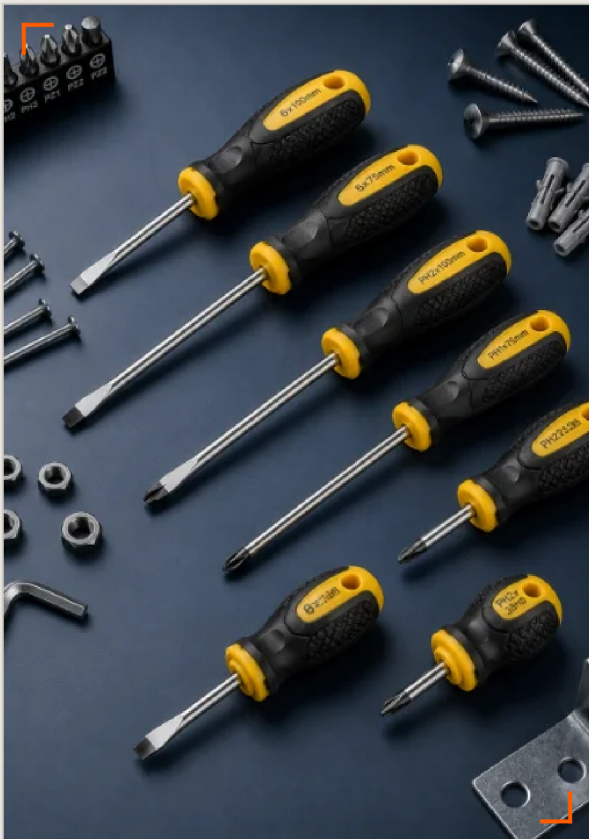

- Quick blade-change mechanism
- On-board blade storage
- Accepts standard utility blades

04

SCREWDRIVERS & HEX KEY

Cr-V driver sets and hex keys with ergonomic grips, magnetic tips and ball-point ends for high-torque, angled access.

PT-13001

Screwdriver Set

TYPES	MATERIAL	PART NO.
PH / PZ / Slotted / Torx	Cr-V Steel	PT-13001

- Ergonomic anti-slip dual-material handle
- Cr-V steel shaft for high torque strength
- Magnetic tip for fastener control

PT-13010

Hex Key Set 9pcs.

SIZES	MATERIAL	PART NO.
1.5–10mm (9 pcs)	Chrome Alloy Steel	PT-13010

- Ball-point ends for angled access
- Belt-clip carry case
- Sizes marked on each key for fast selection

05

MEASURING & OTHER

Tape measures, a forged claw hammer and a compact LED pen light — the finishing essentials for every kit and toolbox.

Measuring & Finishing Essentials

PT-14001 → PT-14004

Tape Measure

LENGTHS 3.5/5.5/7.5/10m

WIDTH 16-25mm

- Durable coated blade for extended life
- Shock-absorbing hook with protector
- Two-sided, easy-read printing

PT-14010

Smooth Face Claw Hammer

HEAD WT 580g

TOTAL WT 960g

- Forged one-piece steel construction
- Anti-vibration grip with air vents
- Anti-ring claw for easy nail extraction

PT-14020

LED Pen Light

BATTERY 1× AA (excl.)

TYPE Keychain LED

- Compact and easy to carry
- Runs on standard AA battery
- Ideal for repair, automotive & DIY
